MCH ProCare

MCH ProCare, a Medical Center Health System affiliated entity, consists of a network of highly-skilled physician and mid-level providers dedicated to meeting the healthcare needs of people living in Ector County and the surrounding area.

MCH ProCare uses an integrated approach to deliver a broad spectrum of medical services throughout Odessa. This includes: in-store clinics, urgent care centers and multiple independent physician offices. We also utilize innovative technology like Electronic Health Records that can be accessed from any of our partner facilities to provide greater convenience for you.
