

EMPLOYEE ASSISTANCE IMPACT STORY

In late 2024, our family faced one hardship after another. While my dad fought for his life and waited for a heart transplant in Dallas, I used all of my PPL to be by his side. Just as he finally came home after surgery, I was preparing to welcome our fourth baby – but an emergency C-section at 36 weeks changed everything.

With no PPL left and bills piling up, we were struggling in ways we never had before. Reaching out for help was not easy, but the EAP stepped in when we needed it most. Because of the MCHS Foundation support, my family could breathe again during one of the hardest seasons in our lives.

"I am so grateful for the EAP, and I honestly tell everyone about it.

This program is one that not everyone knows about but is a huge help for anyone who needs it."

– Kayce

THANK YOU DR. ALAMO AND DR. ANDRADE FOR HOSTING
DINKS WITH A DOC AGAIN THIS YEAR! WE HAD A
WONDERFUL TURN OUT AND LOTS OF FUN!

Patient Navigation Program

The Patient Navigation Program is a special support system for patients who have been diagnosed with breast cancer. Our program goal is simple: we want to help our breast cancer patients get the best care possible delivered in a timely and efficient manner.

Friends of Nursing Fund

Donations to the fund empower nurses to attend workshops and conferences, promoting professional growth and improving healthcare outcomes. By contributing, supporters can make a meaningful impact on both the nurses' development and the quality of care provided to patients and their families.

WHAT ARE WE UP TO?

A few things are going on with the Foundation! For one, we are currently planning the Desert Dash event so be looking out for that if you want to volunteer, participate, or even want to become a donor! In addition to this event, we are also planning our Cor Tenera event for our MCH physicians!

On the hospital side of things, we are working on our annual employee giving campaign. We are currently looking at roughly 27% participation so far for the year as of June 1st, and our goal is to end at 40% by the end of 2026.

UPCOMING EVENTS

- Cor Tenera – October 2nd
- Desert Dash – October 3rd

Wholesale for their first year
hosting a Children's Miracle
Network campaign!**

On June 13th, the
Permian Basin
Chapter of Credit
Unions hosted the
annual Miracle
Tournament
benefiting CMN. We
are grateful for their
partnership and
commitment to
pediatric healthcare.

Lucas Ochoa, Kelly Cecil & Trevor Trankersley
with our CMN Champion Sadie

Join us on July 30th at Dairy Queen to celebrate
Miracle Treat Day! Each Blizzard treat
purchased supports CMN.

Corporate Partner Spotlight

Thank you to our corporate partners, Walmart and
Sam's Club for 38 years of partnership and support
to our patients, families, and their commitment to
the future of healthcare.

READ ABOUT THE IMPACT

The MCHS Foundation and CMN has had a significant impact on labor and delivery by funding essential medical equipment and top of the line technology. These donations have helped purchase fetal monitors, panda warmers, software for blood loss, and so much more. This investment enhances patient safety, improves outcomes, and provides families with confidence in their journey through childbirth. New and improved equipment and technology provide more accurate and reliable tools, allowing the team to make clinical decisions more quickly and confidently. Because of these donations, labor and delivery can continue to offer high-quality, compassionate care to growing families within our community and the surrounding areas.

"These upgrades allow our team to respond quickly and effectively during high-risk deliveries and OB emergencies."

—Meagan
